Now is a great opportunity to explore the Bible's big story, from the comfort of your home. In light of the coronavirus situation, we have adapted The Bible Course into a digital format suitable for an online small group or family setting.

The Bible is a big and complicated book to read and for many it can be difficult to know where to start. Maybe you've been part of a Bible study group and want to build your confidence so you can study the Bible on your own, or maybe you need help connecting together the bits you've been reading. The Bible Course is a great resource, whether you are familiar with the Bible or just starting out.

- The Bible Course helps you see how the books of the Bible are part of one big story.
- Using a unique storyline, The Bible Course will show you how key events, books and characters fit together.
- The video teaching, course guide and daily readings will help you grow in confidence as you read the Bible for yourself.
- Acts as a great follow-on resource for those who have done introductory courses like Alpha and Christianity Explored.

Well put together, straightforward to lead, & very engaging. The Bible Course is a fantastic resource to the Church, which I wholeheartedly recommend to you! **Tom Rothwell, Senior Pastor, New Life Church, New Milton**

The Bible Course is a brilliant and accessible way to understand the full Bible story.
A brilliant way to kick-start your journey. **Amy, Surrey**
